The full moon is burning  
In the crimson sky  
A wicked witches laughter  
Echoes in the night

The wolves of doom howl  
A warning to the wind  
Red eyes of fire  
Haunting your dreams again

Watch out for her poison heart  
She's a dragon lady  
Look into her crystal ball  
It tells all

Watch out now she's breathing fire  
She's a dragon lady  
Look into her crimson eyes  
Say goodbye

Watch out for her poison heart  
She's a dragon lady  
Look into her crystal ball  
It tells all

Watch out now she's breathing fire  
She's a dragon lady  
Look into her crimson eyes  
Say goodbye

Dragon lady wants to meet you  
Step into her lair  
Death waits in the shadows  
Enter the fire and challenge the witch

If you dare  
Enter the fire and challenge the witch  
If you dare  
No, no, no, no

Watch out for her poison heart  
She's a dragon lady

Look into her crystal ball  
It tells all

Watch out now she's breathing fire  
She's a dragon lady  
Look into her crimson eyes  
You shall die  
She's a dragon lady

Watch out  
Dragon lady wants to meet you
