Her wraith rides
The crystal sky
Of changing colors

The glowing clouds
Are moving through
The winter night

Snow is falling, silver shining
Through the shadows
Deep blue dreaming
Eyes of diamond shine

Lady of winter
Turning to rain
White world of wonder
Fading away

Bright beams
Of violent light
Break the silence

Melting colors crushed
Beneath the waves
Of rolling flames

Seasons turning
Burning, burning

Lady of winter
Song in the wind
Melody whispers
Seasons will change

Lady of winter
Turning to rain
White world of wonder
Fading away

Lady of winter
Song in the wind
Melody whispers

Seasons will change
