Got a ragin' fever, losin' control  
Got a wild desire burnin' in my soul  
I'm hungry baby, hot on your trail  
Gonna get to heaven, through the fires of hell  
Through the fires of hell

Come and take me to the promise land  
Won't you give me all your love  
Come and take me to the promise land  
Open your gates baby take me down  
To the promise land

Headin' for your garden, yeah I'm glory bound  
Wanna dig my fingers deep in your sacred ground  
Your sacred ground

Come and take me to the promise land  
Won't you give me all your love  
Come and take me to the promise land  
Open your gates baby take me down  
To the promise land

Take me to the promise land  
Take me to the promise land  
Take me, (take me higher)  
To the promise land, (to the promise land)  
Take me, (take me down)  
To the promise land  
Take me to the promise land

Take me to the promise land  
Take me to the promise land  
Take me, (I'm on a mission)  
To the promise land, (to get to you)  
Take me, (this's a higher calling)  
To the promise land, (the naked truth)

Let me take you to the promise land  
I wanna give you all my love  
Let take you to the promise land  
I will open your gates baby take you down  
To the promise land

Oh, take me down now - Take me to the promise land  
Oh, to the promise land  
Wanna dig my fingers deep - Take me to the promise  
land  
In your sacred ground, yeah
