Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

All up in the club looking fly, made your first approach  
And caught his eye slowly move your way towards the  
dance floor  
Grab her hand and she whispered  
Hold my hip got in the groove

Stand behind me  
Let me grind with you  
If I lick my lips, I'm prob'ly feeling you  
I'ma make you go, ooh

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Whoo  
(You feelin' it now)  
Take it slow turn me on  
Club gets warmer  
Body moves closer

One with the rhythm, don't stop moving  
You're making me hot from head to toe  
I feel your flow vibe gets stronger  
Party seems longer

Makes me really want'cha  
Don't stop moving  
You're making me hot

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Can you feel the beat?  
Can ya, can you feel the beat?  
Can you feel the beat?  
Can ya, can you feel the beat?

Can you feel the beat within my heart?  
Can't you see my love shine through the dark?  
Can ya feel the beat?

Can you feel the beat within my heart?  
Can't you see my love shine through the dark?  
Can't you see that you must be a part?  
Of that beat in my heart?

Slow wind, slow wind, slow wind, slow wind  
Slow wind, slow wind, slow wind, slow wind  
Fast wind, fast wind, fast wind, fast wind  
Move ya body, move ya body, move ya body, move ya  
body

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go

The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go

Ooh, move ya body girl  
Makes the fellas go  
The way you ride it girl  
Makes the fellas go
