No, I can't forget this evening  
With your face as you were leaving  
But I guess that's just the way the story goes  
You always smile,  
But in your eyes,  
your sorrow shows  
Yes it shows

No, I can't forget tommorrow  
When I think of all my sorrow  
And I had you there, but then I let you go  
And now its only fair that I should let you know  
What you should know

I can't live  
If living is without you  
I can't live  
I can't give anymore  
I can't live  
If living is without you  
I can't give  
I can't give anymore

Well I can't forget this evening  
With your face as you were leaving  
But I guess that's just the way the story goes  
You always smile, but in your eyes, your sorrow shows  
Yes it shows

I can't live  
If living is without you  
I can't live  
I can't give anymore  
I can't live  
If living is without you  
I can't live  
I can't give anymore

...If living is without you...
