I just can't get enough of you baby,
There just ain't enough of you to go around.
Just when I'm needin' you baby,
You ain't no where to be found.
Baby, it's gettin' me down
Because I'm all strung out on you baby,
all strung out on you baby,
all strung out on you baby,
Oh, maybe, maybe someday you'll love me too,
Maybe, maybe I don't know what to do.
Baby, baby, I'm all strung out on you.

It hurts when you needle me baby (it hurts when you
needle me)
But I'd rather have the pain than lose your love.
I know you're no good for me baby
But I keep trampin' around, trackin' you all over town
Because I'm all strung out on you baby,
all strung out on you baby,
all strung out on you baby,
Oh, maybe, maybe someday you'll love me too,
Maybe, maybe I don't know what to do.
Baby, baby, I'm all strung out on you.

I love you (I love you) (I love you) (I love you)
Just the way you are.
Like a spinnin' shinin' star:
I'm gonn'a get you someday,
And you'll never go away.
Because I'm all strung out on you baby,
all strung out on you baby,
all strung out on you baby
Oh, baby, baby, someday you'll love me, too
Baby, baby, I don't see but I'm all strung out on you
baby.

All strung out on you baby,
All strung out on you baby,
All strung out on you baby.
All strung out on you baby,
All strung out. . .
