I just can't get enough of you, baby  
There just ain't enough  
Of you to go around  
Just when I'm needing you, baby  
You ain't nowhere to be found  
Baby, it's getting me down

[CHORUS]

Because I'm all strung out on you baby  
All strung out on you, baby  
All strung out on you, baby  
Oh, maybe, maybe someday  
You'll love me too  
Maybe, maybe I don't know what to do  
Baby, baby, I'm all strung out on you

It hurts when you needle me, baby  
But I'd rather have the pain  
Than lose your love  
I know you're no good for me, baby  
But I keep tramping around  
Tracking you all over town

[Repeat CHORUS]

I love you (I love you)  
Just the way you are  
Like a little falling star  
I'm gonna get you someday  
And you'll never go away

Because I'm all strung out on you, baby  
All strung out on you, baby,  
All strung out on you, baby  
Oh, baby, baby, someday  
You'll love me, too  
Baby, baby, I don't see but  
I'm all strung out on you, baby

All strung out on you, baby  
All strung out on you, baby  
All strung out on you, baby

All strung out on you, baby  
All strung out...
