When the deep purple falls over sleepy garden walls  
And the stars begin to twinkle in the night  
In the mist of my memory, you wander on back to me  
Breathing my name with a sigh

In the still of the night once again I hold you tight  
Though you're gone, your love lives on when moonlight  
beams  
And as long as my heart will beat, sweet lover, we'll  
always meet  
Here in my deep purple dreams

When the deep purple falls over sleepy garden walls  
And the stars begin to twinkle in the night  
In the mist of a memory, you wander back to me  
Breathing my name with a sigh

In the still of the night once again I hold you tight  
Though you're gone, your love lives on when moonlight  
beams  
And as long as my heart will beat, sweet lover, we'll  
always meet  
Here in my deep purple dreams

And as long as my heart will beat, sweet lover, we'll  
always meet  
Here in my deep purple dreams
