I can't go on living  
Baby, without you  
No, no, no  
I can't go on living  
Baby, without you

Without your love  
I can't go on  
Without you here  
All my dreams would be gone

I can't go on living  
Baby, without you  
(I can't go on living, baby)  
I can't go on loving  
Baby, I need you  
(I can't go on living, baby)

I need your kiss  
(I need your kiss)  
My whole life through  
(My whole life through)  
There is no me without you

Don't want nobody elses  
Lips touching you  
(Don't want nobody elses lips)  
Don't want no one to feel  
The sweet things that you do  
(Don't want to feel the sweet)

Can't you see, can't you see  
My love is real  
And this feeling deep inside  
Is a burning I can't hide

So true  
I don't want to live without you

I can't go on living  
Baby, without you  
(I can't go on living, baby)

I can't go on loving  
Baby, without you  
(I can't go on living, baby)

Without your love  
(Without your love)  
My world is through  
(My world is through)  
There is no me without you

Can't you see, can't you see  
My love is real  
And this feeling deep inside  
Is a burning I can't hide

So true  
I don't want to live without you  
I can't live without you

I can't go on living  
Baby, without you  
(I can't go on living, baby)  
No, no, no  
I can't go on loving  
Baby, without you  
(I can't go on living, baby)

I can't go on living  
Baby, without you  
(I can't go on living, baby)  
I can't go on breathing  
Baby, without you  
(I can't go on living, baby)
