"All Authority"

It may surprise the majority
But many attempts in resolving
The spiritual and meaning of life
Are lost within the shadows

Craving of esoteric knowledge
Grisly evidence of aberrations
Unlocking unthinkable atrocities
You now must pay with your life

All authority given
Not an equal but a vanquished foe
Dunameos energeian kratous kai ischous
Power working strength and might

Renounce the involvement
Encounter the demoniac standing firm
Having girded your loins with truth
From the threshold of your mind

Testing of the spirits which indwell
Discernment unfolds the reality of truth
Becoming subject to Christ they leave
Overwhelmed by His supremacy

Elements of protection
Speaking God's word
If there is any excellence, anything worthy of praise
Let your mind dwell on these things
