

Crimson Thorn

"Decrepit"

Visit "[Decrepit](#)" on MotoLyrics.com

Fated to ceaseless misery

Lair thief destroyer

You poison life with pain

Leading sheep to the slaughter

Weariness for the souls you have taken

You now face eternal torment

Your corpse will rot

Your weakness makes me laugh

Wages of your lost war

CHRIST has conquered you satan

Your evil power is useless

Against JESUS my SAVIOR

Maggots will feed upon your skull

When CHRIST destroys your rotting soul
