My baby taught me how to be  
My baby taught me how to fight  
My baby taught me how to die  
Alcohol, alcohol, alcohol, alcohol!

My baby taught me how to smoke  
My baby taught me how to breathe  
My baby taught me how to hide  
My baby taught me how to leave  
Alcohol, alcohol, alcohol, alcohol!

My baby taught me how to choke  
My baby taught me how to eat  
My baby taught me how to fuck  
My baby taught me how to be  
Alcohol, alcohol, alcohol, alcohol!
