"Because Of Me"

Visit "[Because Of Me](#)" on MotoLyrics.com

I was alone, alone, alone
She wasn't there, there, there
I asked for help, help, help
But I received hate, hate, hate

Because of me,
I wanna be living in another place
Because of me
I wanna be loving someone else
BeCause of me,
They hate, they love, they laugh, they shout
Because, Because of me

I was afraid, afraid, afraid
Alone in the sar, sark sar
I asked for help, help, help
But I received hate, hate hate

Because of me,
I wanna be living in another place
Because of me
I wanna be loving someone else

Because of me,
I wanna be living in another place
Because of me
I wanna be loving someone else
Because of me,
They hate, they love, they laugh, they shout
Because, Because of me
