Clean up before she comes
Clean up before she comes
Clean up before she comes
Clean up before she comes

Living in a dusty town
Living in a dusty town

Something in her eyes
Must be the smoke from my lungs
Something in her eyes
Must be the smoke from my lungs

Twenty months has it all
I must be getting old
I must be getting old
I must be getting old

Something in her eyes
Must be the smoke from my lungs
Something in her eyes
Must be the smoke from my lungs

Clean up the dusty town
Living in a dusty town
Living in a dusty town
Living in a dusty town

Clean up before she comes
Clean up before she comes
Clean up before she comes
Living in a dusty town

Something in her eyes
Must be the smoke from my lungs
Something in her eyes
Must be the smoke from my lungs

I must be getting old
I must be getting old

I must be getting older

I'm starting to eat my vegetables

I must be getting older
I'm starting to eat my vegetables

I must be getting older
I'm starting to eat my vegetables
