## "Cocaine Girl"

Looking for a new kind of lover  
Not a girl made of rubber  
Someone who can make me feel how I wanna feel  
And tell me all the things that I wanna hear  
And make me lose control  
And make me go insane  
I want a girl that does cocaine

Cocaine, cocaine

Screwed up is how she needs to be  
With no clue of reality  
I just want you to make me feel how I wanna feel  
And tell me all the things that I wanna hear  
And make me lose control  
And make me go insane  
I want a girl that does cocaine

Cocaine

And now I'm washed up,  
I've had my fun...  
and I feel like the mud

It's that girl who can make me feel how I wanna feel  
And tell me all the things that I wanna hear  
And make me lose control  
And make me go insane  
You're that girl who does cocaine

She left me for a snowman named bob
