

Nirvana "Drain You"

Visit "[Drain You](#)" on [MotoLyrics.com](https://www.motolyrics.com)

One baby to another says, "I'm lucky to have met you"
I don't care what you think unless it is about me
It is now my duty to completely drain you
A travel through a tube and end up in your infection
Chew your meat for you
Pass it back and forth in a passionate kiss
From my mouth to yours
I like you

With eyes so dilated, I've become your pupil
You've taught me everything without a poison apple
The water is so yellow
I'm a healthy student
Indebted and so grateful
Vacuum out the fluids
Chew your meat for you
Pass it back and forth in a passionate kiss
From my mouth to yours
I like you, you, you, you, you, you

One baby to another says, "I'm lucky to have met you"
I don't care what you think unless it is about me
It is now my duty to completely drain you
A travel through a tube and end up in your infection
Chew your meat for you
Pass it back and forth in a passionate kiss
From my mouth to yours
Sloppy lips to lips
You're my vitamins
I'm like you
