Dumb

I'm not like them
But I can pretend
The sun is gone
And I have a light
The day is done
And I'm having fun
I think I'm dumb
Maybe just happy
Think I'm just happy
Think I'm just happy
Think I'm just happy

My heart is broke
And I have some glue
Help me inhale
Mend it with you
We'll float around
Hang out on clouds
Then we'll come down
Have a hangover
Have a hangover
Have a hangover
Have a hangover

Skin the sun
Fall asleep
Wish away
Soul is cheap
Lesson learned
Wish me luck
Soothe the burn
Wake me up

I'm not like them
And I can pretend
The sun is gone
And I have a light
The day is done
And I'm having fun
I think I'm dumb

Maybe just happy
Think I'm just happy
Think I'm just happy
Think I'm just happy

I think I'm dumb (x12)
