

Nirvana "Endless, Nameless"

Silent
Ignore him
Yeah I have
Silent
Bright and clear
See him
I have, I have

Mama, Mama, Mama, Mama
Kill
And violent
Excitement
Right here
I have, I have, I have

Mamas, Mamas, Mamas, Mama
Kill him
Here I am
Go to hell
Go to jail
In back of that
Crime
Here I am
Go to jail
Death
Die

This is the "hidden track" on some copies of
Nevermind. It begins ten
Minutes after the end of "Something in the Way"(my CD
player says it
Starts at 13:51 of Track 12.)
I'm not sure of these lyrics, so if anyone else has ideas,
send them to
Me at KNVO@MARISTB.BITNET or
