Even in his youth
Even in his youth
Even in his youth
He was nothing

Kept his body clean
Kept his body clean
Kept his body clean
Going nowhere

Daddy was ashamed
Daddy was ashamed
Daddy was ashamed
He was something

Disgrace the family name
Disgrace the family name
The family name
He was something

He was born for your crew
I've got nothing left to prove
If I die before I wake
Hope I don't come back asleep

Even in his youth
Even in his youth
Even in his youth
He was nothing

Kept his body clean
Kept his body clean
Kept his body clean
Going nowhere

Daddy was ashamed

Daddy was ashamed
He was ashamed
He was nothing

Disgrace the family name

Disgrace the family name
Family name
Going nowhere

Leave this one, for your brew
I've got nothing left to prove
If I die before I wake
Hope I don't come back asleep
Aye, yeah

Leave this one, for your brew
I've got nothing left to prove
If I die before I wake
Hope I don't come back again
I'm dying

Even in his youth
Even in his youth
Yeah, yeah

Even in his youth
Even in his youth
Yeah, yeah

Even in his youth
Yeah, yeah
Even in his youth
Yeah, yeah

Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah
