It must be your skin that I'm sinking in
It must be for real 'cause now I can feel
And I didn't mind
It's not my kind, it's not my time to wonder why
Everything gone white
Everything's grey
Now you're here Now you're away
I don't want this
Remember that
I'll never forget where you're at

Don't let the days go by
Glycerine Glycerine

I'm never alone
I'm alone all the time
Are you at one, or do you lie
We live in a wheel where everyone steals
But when we rise it's like strawberry fields
I treated you bad, you bruise my face
i couldn't love you more you've got a beautiful taste

Don't let the days go by
Could've been easier on you
I couldn't change though I wanted to
It should have been easier by three
Our old friend fear and you and me
Glycerine Glycerine

Don't let the days go by
Glycerine
Don't let the days go by....
Glycerine Glycerine
Glycerine Glycerine

Bad moon white again
Bad moon white again
As she falls around me
I needed you more when you wanted us less
I could not kiss, just regress
It might just be clear simple and plain

Well that's just fine that's just one of my names

Don't let the days go by
It could've been easier on you you you
Glycerine, Glycerine, Glycerine, Glycerine
