She eyes me like a pisces when I am weak
I've been locked inside your heart-shaped box for
weeks
I've been drawn into your magnet tar pit trap
I wish I could eat your cancer when you turn black
Hey
Wait (3x)
I got a new complaint
Forever in debt to your priceless advice
your advice
Meat-eating orchids forgive no one just yet
Cut myself on angel hair and baby's breath
Broken hymen of your highness I'm left black
Throw down your umbilical noose so I can climb right
back
Hey
Wait (3x)
I got a new complaint
Forever in debt to your priceless advice
your advice

Forever in debt to your priceless advice
