Hold me, there's too much tension
Grade me, I'm fucking hungry
Help me, I'm fucking cornered
Grade me, you might be right

Lightning fucking around in my head
Fierce, dangerous, pathetic, fucked up
People freaking every day
White lights inside
What do you want

Cold naked man, picked off his scabs and
Fed them to the pigeons
Help him, he's fucking cornered
Grade him it might be fun

Lightning fucking around in my head
Fierce, dangerous, pathetic, fucked up
People freaking every day
White lights inside
What do you want

Hold me, something's happening
Help me, somebody help me
Hold me, I'm fucking hungry
Help me, I'm right here, who are you?

Naked man you say you saw
Fed them, to the pigeons
Help him, he's fucking cornered
Grade him, it might be fun

Lightning fucking around in my head
Fierce, dangerous, pathetic, fucked up
People freaking every day
White lights inside
What do you want

Help me, I'm fucking hungry
Help me, I'm fucking up
Hold me, some fucking help
