Verse 1:

Running nose and runny yolk
Even if you have a cold still
You can cough on me again
I still haven't had my full fill

Chorus 1:

In the someday
What's that sound?
End it someday
What's that song?
In the someday
What's that sound?
End it someday
What's that song?

Verse 2:

Broken heart and broken bones
Finger pressing down the horse pills

One more quirky cliched phrase
You're the one I wanna refill

Chorus 3:

In the someday
What's that sound?
End it someday
What's that song?
In the someday
What's that sound?
End it someday
What's that song?

In the someday
What's that sound?
End it someday
What's that song?
In the someday
What's that sound?
End it someday
What's that song?

Verse 3:

Running nose and runny yolk
Even if you have a cold still
You can cough on me again
I still haven't had my full fill

Chorus 4:

In the someday
What's that sound?
End it someday
What's that song?
In the someday
What's that sound?
End it someday
What's that song?
