Hangin' 'round downtown by myself
And I had so much time
To sit and think about myself
And then there she was
Like double cherry pie
Yeah, there she was
Like disco superfly

I smell sex and candy here
Who's that lounging in my chair?
Who's that casting devious stares in my direction?
Mama, this surely is a dream, yeah
Yeah mama, this surely is a dream [Incomprehensible]

Hangin' 'round downtown by myself
And I had too much caffeine
And I was thinkin' 'bout myself
And then there she was
In platform double suede
Yeah, there she was
Like disco lemonade

I smell sex and candy here
Who's that lounging in my chair?
Who's that casting devious stares in my direction?
Mama, this surely is a dream, yeah
Yeah mama, this surely is a dream, [Incomprehensible]
Yeah mama, this surely is a dream, yeah

I smell sex and candy here
Who's that lounging in my chair?
Who's that casting devious stares in my direction?
Mama this surely is a dream [Incomprehensible]
Yeah, mama this surely is a dream
Yeah, mama this surely is a dream, yeah
Yeah, mama this must be my dream
