[Early version of "Breed"]

I don't care, I don't care, I care,
I care, I care, I care if I'm old
I don't mind, I don't mind, I don't mind,
I mind, I mind, a mind of my own
Get away, get away, away, away, away, away from your
home
I don't mind, I don't mind, I mind,
I mind, I mind, yeah...

If you have, even if you need
I don't even care, we could have a tree
We could plant a house, we could build a tree
I don't even care, we could have a tree
She said, she said, she said, she said
she said, she said, she said, she said

I'm away, I'm away, away, away, away, away from your
home
I don't mind, I don't mind, I mind, I mind, I mind, a
mind of my own
Get away, get away, away, away, away, away from your
home
I don't mind, I don't mind, I mind, I mind, I mind, yeah...

Even if you have, even if you need
I don't even care, we could have a tree
We could plant a house, we could build a tree
I don't even care, we could build a tree
She said, she said, she said, she said
she said, she said, she said, she said

Even if you have, even if you need
I don't even care, we could have a tree
We could plant a house, we could build a tree
I don't even care, we could build a tree
She said, she said, she said, she said
She said, she said, she said, she said
She said, she said, she said, she said
