Sell the kids for food  
Weather changes moods  
Spring is here again  
Reproductive glands  
He's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he don't know what it means  
dont know what it means  
When I say  
He's the one  
Who likes all our pretty songs  
And he likes to sing along  
And he likes to shoot his gun  
But he knows not what it means  
knows not what it means  
and I say yeah  
We can have some more  
Nature is a whore  
Bruises on the fruit

Tender age in bloom

He's the one

Who likes all our pretty songs

And he likes to sing along

And he likes to shoot his gun

But he don't know what it means

don't know what it means

And I say

He's the one

Who likes all our pretty songs

And he likes to sing along

And he likes to shoot his gun

But he knows not what it means

knows not what it means

And I say yeah

He's the one

who likes all our pretty songs

And he likes to sing along

And he likes to shoot his gun

But he dont know what it means

dont know it means

And I say

He's the one

who likes all our pretty songs

And he likes to sing along

And he likes to shoot his gun  
But he dont know what it means  
Dont know what it means  
Dont know what it means  
Dont know what it means  
when I say yeah
