I would never bother you
I would never promise to
I will never follow you
I will never bother you
Never speak a word again
I will crawl away for good

I will move away from here
You won't be afraid of fear
No thought was put into this
I always knew it would come to this
Things have never been so swell
I have never failed to fail
Pain... (x3)
You know you're right (x3)

Im so warm and calm inside
I no longer have to hide
Let's talk about someone else
Sterling silver begins to melt
Nothin' really bothers her
She just wants to love herself

I will move away from here
You won't be afraid of fear
Nothing was put into this
I always knew it'll come to this
Things have never been so swell
I have never failed to fail
Pain... (x5)
You know you're right (x16)
You know your rights
Pain...
