And if you save yourself
You will make him happy
He'll keep you in a jar
And you'll think you're happy
He'll give you breathing holes
And you'll think you're happy
He'll cover you with grass
And you'll think you're happy now

You're in a laundry room
You're in a laundry room
The clue just came to you, oh

And if you cut yourself
You will think you're happy
He'll keep you in a jar
Then you'll make him happy
He'll give you breathing holes
Then you'll think you're happy
He'll cover you with grass
Then you'll think you're happy now
You're in a laundry room
You're in a laundry room
The clue that came to you, oh

You're really in a laundry room
You're really in a laundry room
The clue that came to you, oh

And if you fool yourself
You will make him happy
He'll keep you in a jar
Then you'll think you're happy
He'll give you breathing holes
Then you will seem happy
You'll wallow in his shit
Then you'll think you're happy now

You're really in a laundry room
You're really in a laundry room
You're really in a laundry room
The clue that came to you, oh
