Truth covered in securityI can't let you smother meI'd
like to but it wouldn't workTrading off and taking turnsI
don't regret a thingAnd I've got this friend, you
seeWho makes me feel and I Wanted more than I could
stealI'll arrest myself, I'll wear a shieldI'll go out of my
way to prove I stillSmell her on you
Don't tell me what I wanna hearAfraid of never knowing
fearExperience anything yoy needI'll keep fighting
jealousyUntil it's fucking gone
I'll go out of my way to make you a dealWe've make a
pact to learn from whoEver we want without new
rulesWe'll share what's lost and what we grewThey'll go
out of their wayTo prove they stillSmell her on you
