My girl, my girl, don't lie to me,
Tell me where did you sleep last night?

In the pines, in the pines
Where the sun will never shine
I would shiver the whole night through

My girl, my girl, where will you go?
I'm going where the cold wind blows

In the pines, in the pines
Where the sun will never shine
I would shiver the whole night through

Her husband, was a hard working man
Just about a mile from here
His head was found in a driving wheel
But his body never was found

My girl, my girl, don't lie to me,
Tell me where did you sleep last night?

In the pines, in the pines
Where the sun will never shine
I would shiver the whole night through

My girl, my girl, where will you go?
I'm going where the cold wind blows

In the pines, in the pines
Where the will never shine
I would shiver the whole night through
