==Early You Know You're Right==

I will never bother you
I will never promise to
I will never follow you
I will never bother you

Never speak a word again
I will crawl away for good

I won't move away from here
You won't be afraid of fear
No thought was put into this
Always knew it would come to this

Things have never been so swell
I have never failed to feel

Pain
Pain
Pain

You know you're right
You know you're right
You know you're right

I'm so warm and calm inside
I no longer have to hide
Let's talk about someone else
stinging skin begins to melt

Nothing ever bothers her
She just wants to love herself

I will move away from here
You won't be afraid of fear
No thought was put into this
Always knew it would come to this

Things have never been so swell
I have never failed to feel

Pain
Pain
Pain
Pain
Pain

You know you're right
You know you're right
You know you're right
You know you're right
You know you're right

You know you're right
You know you're right
You know you're right
You know you're right
You know you're right

You know you're right
You know you're right
You know you're right
You know you're right
You know you're right

You know you're right
You know you're right

Pain
Pain
