(this is whispered in the beggining)

Ummmmmmmm....

I was just wondering....

Do you like me?

Use just once and destroy

Invasion of our piracy

Afterbirth of a nation

Starve without your skeleton key

I love you for what I am not

I do not want what I have got

A blanket acne'ed with cigarette burns

Speak at once while taking turns

What is what i need

What is wrong with me

What is what i need

I'm nothing to do with what you think

If you ever think at all

Bi-polar opposites attract

All of a sudden my water broke

I love you for what I am not

I do not want what I have got

A blanket acne'ed with cigarette burns

Second-rate third degree burns

What is what i need

What is wrong with me

What do I think I think

Hate your enemies

Save, save your friends

Find, find your place

Speak, speak the truth

What is what i need

What is wrong with me

What is what i need

What do I think I think

Use just once and destroy
Invasion of our piracy
Afterbirth of a nation
Starve without your skeleton key
What is wrong with me
What is what i need (x2)
What do I think i think

What is wrong with me
What is what i need (x2)
What do I think i think
