Travels on a cloud (up on the clouds)  
He's one of the good time people now  
I'm a face in the crowd (I'm in the crowd)  
All dressed up and laughing loud  
I can talk to him, and I can love him

Oooooo... Rainbow chaser  
Oooooo... Rainbow chaser  
Oooooo... Rainbow chaser

Many miles to go (miles to go)  
How many bridges do you cross  
Winter, rain and snow (rain and snow)  
Over mountains high and low  
I can talk to him, and I can love him

Oooooo... Rainbow chaser  
Oooooo... Rainbow chaser  
Oooooo... Rainbow chaser.
