"Seasons In The Sun"

Goodbye my friend, it's hard to die
when all the birds are singing in the sky
and all the flowers are everywhere
pretty girls are everywhere
"Think of me and i'll be there."

Goodbye, papa, please pray for me
i was the black sheep of the family
"I don't know all these words
I have bought three turds
With my BB-gun I would kill birds"

We had joy, we had fun, we had seasons in the sun
but the hills that we climbed
were just seasons out of time

All our lives, we had fun, we had seasons in the sun
But the stars that we reached were just starfish on the
beach.

Goodbye, michelle, my little one
"I was the apple of the shining sun.

And I have loved you every week
All my tears are salty
I think that now I will start to leave"

We had joy, we had fun, we had seasons in the sun
But the hills that we climbed
Were just seasons out of time

We had joy, we had fun, we had seasons in the sun
But the stars that we reached were just starfish on the
beach.

We had joy, we had fun, we had seasons in the sun
But the hills that we climbed
Were just seasons out of time

We had joy, we had fun, we had seasons in the sun
But the stars that we reached where just starfish on the
beach.
