Load up on guns and bring your friends  
It's fun to lose and to pretend  
She's over bored and self assured  
Oh no, I know a dirty word  
Hello, hello, hello, how low?  
Hello, hello, hello, how low?  
Hello, hello, hello, how low?  
Hello, hello, hello

With the lights out it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us

A mulatto  
An albino  
A mosquito  
My Libido  
Yeah

I'm worse at what I do best  
And for this gift I feel blessed  
Our little group has always been  
And always will until the end

Hello, hello, hello, how low?  
Hello, hello, hello, how low?  
Hello, hello, hello, how low?  
Hello, hello, hello

With the lights out it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us

A mulatto  
An albino  
A mosquito  
My Libido  
Yeah

And I forget just why I taste  
Oh yeah, I guess it makes me smile  
I found it hard, it's hard to find  
Oh well, whatever, nevermind

Hello, hello, hello, how low?  
Hello, hello, hello, how low?  
Hello, hello, hello, how low?  
hello, hello, hello

With the lights out it's less dangerous  
Here we are now, entertain us  
I feel stupid and contagious  
Here we are now, entertain us

A mulatto  
An albino  
A mosquito  
My Libido  
A denial (X9)
