She says she's changed  
She says she's cured  
She says she's mine  
Bull...bull...  
Come over here for a second  
I want you to see something  
Why is this happening to me?  
Why is this real?  
The sound of dentage and I know  
The sound of dentage and I see  
It's come to get me and I hope  
The sound of ??? is mine  
She says she's changed  
She says she's cured  
She says she's mine  
Bull...bull  
Come over here for a second  
I want you to see something  
Whe is this happening to me?  
Why is this real?  
The sound of dentage and I know  
The sound of dentage and I see  
  
It's come to get me and I hope  
The crafty ??? is mine  
Had to throw up all day  
Like to make experiments  
Like to go and stock thee boiled carcass on my ???  
Listen to me, to me  
Listen to me, to me  
Listen to me, to me  
Come over here for a second  
I want you to see something  
Why is this happening to me?  
Why is this real?  
The sound of vengeance and I know  
The sound of dentage and I see  
It's come to get me and I know  
The sound vengeance is mine  
Is mine... is mine... is mine...  
Is mine...
