As soft as a mouth (or "when the sorrow's loud")
it'll soon have the cheese
all flowers are there my love
all the girls i have bleed
We're together once again my love
will you be back, oh baby, baby

I can't splange us sad, we lost it from the start
Living without you girl, you only bring my heart, NOW
!!!

I can feel it, I can howl
I can pet it, shave it, mould it,
I can cut it, I can paste it, spank it
Beautify you, weigh it.

I've been looking for day glow
Always hearin' the same ol'
Say you want to be faithful
I can make it do things you wouldn't think it ever could.

I can feel it, I can hold it,

Pet it, shave it, mould it,
He can cut it, he can paste it, Spank it,
Beautify you, weigh it

I've been looking for day glow
Always hearin' the same ol'
Say you want to be faithful
I can make it do things you wouldn't think it ever could.

(Bridge)

I've been looking for day glow
Always hearin' the same ol'
Say you want to be faithful
I can make it do things you wouldn't think it ever, you
wouldn't think it ever could.
