Shake it down easy, shake it down sleazy, come on  
Shake it down easy, shake yourself, Suzy, come on

Don't let me detain you  
Try to ride along  
Don't you lie, knowing  
I am not sad  
I am not silly  
I am not chippin'  
I am not chippin' away

Talk to me  
In your own language, please  
In your own  
Talk to me  
In your own language please

Shake it down easy, make it sound seamy, doll man  
Make it sound now, make it full house, sad man

Leader of the band

Makes a mental hell  
I won't weather it well  
Well I never  
Saw it with my arm  
Paint it with my heart  
Paint it with my eyes and make it right

Lay down easy, lay it down seamy, sad man  
Lay down easy, lay it down seamy, sad man

You don't want to hear this  
Nothin' but a whore  
I will play the leader  
With pain  
Now you know I'm needy  
Lay them down easy  
Lay them down easy

Talk to me  
In your own language please
