"They Hung Him On A Cross"

They hung him on the cross
They hung him on the cross
They hung him on the cross
For me

One day when I was lost
They hung him on the cross
They hung him on the cross for me

They whooped him up the hill
They whooped him up the hill
They whooped him up the hill
For me

One day when I was lost
They hung him on the cross
They whooped him up the hill for me

He never said among them word
They never said among them word
They never said among them word
For me
One day when I was lost
They hung him on the cross
They hung him on the cross
For me

They bit him in the side
They bit him in the side
They bit him in the side
For me

One day when I was lost
They hung him on the cross
They hung him on the cross for me

He hung his head and died
He hung his head and died
He hung his head and died
For me

One day when I was lost

They hung him on the cross
They hung him on the cross
For me
