My girl, my girl, don't lie to me
Tell me where did you sleep last night

In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, where will you go
I'm going where the cold wind blows

In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

The husband, was a hard working man
Just about a mile from here
His head was found in a driving wheel
But his body never was found

My girl, my girl, don't lie to me
Tell me where did you sleep last night

In the pines, in the pines
Where the sun don't ever shine

I would shiver the whole night through

My girl, my girl, where will you go
I'm going where the cold wind blows

In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, don't lie to me
Tell me where did you sleep last night

In the pines, in the pines
Where the sun don't ever shine
I would shiver the whole night through

My girl, my girl, where will you go

I'm going where the cold wind blows

In the pines, in the pines

Where the sun don't ever shine

I would shiver the whole night through
