Kurt: This is our last song called 'On the Moutian'

I don't need to love again  
I won't sigh and mope again  
I don't need to love again  
I just don't think it's worth it  
I don't really love her  
I don't think I want her  
I won't take to love again  
It's the way your love hurts  
It's the way you're mad again  
I don't think I'll love again  
I won't ever promise her  
I don't think I love her

This time no one else  
I don't bear to follow you  
I don't ever promise you  
Sometimes I don't love you  
Think I'm tired of loving her  
I don't really want love  
Paaaiinnn(x5)  
You know you're [right]

You told me to follow him  
You said that you loved him  
I won't ever promise you  
I won't even bother to  
You gave me my first kiss  
I don't think I want it now  
I don't ever want again  
It's all that I had to have  
It's all that I wanted  
It's all that I had to have  
I don't think I'll miss her  
I don't think I want her  
Paaaiinnn (x5)  
You know you're right
