So digital(2x)

I came up in this spot to show him how I really party  
That boy just too excited, want me to be really naughty  
I kill him so attracted  
Officer get it in  
But he so sweet and I might just call him my new new  
friend  
It's just electrifying, got the vybes across our room  
He's like my brand new pair a shoes and my fruit of a  
loom  
He wrap me up so tight  
My heart just broke a wall  
He's so technelogizing I just might call him digital
