Something is telling me
Were not gonna make it
Something is telling me
Were not gonna take it

When you came into my life
Everything seemed alright,
Alright, alright

Something is telling me
Were not gonna make it
Something is telling me
Were not gonna take it
Now the time has drifted by
And the sparks left your eyes,
Your eyes, your eyes

Chorus

You're breaking my heart
In two
And I don't know what to do
Too doot too doo doot too doo
Too doot too doo doot too doo
Hahaah...

Something is telling me
I'm gonna regret it
Something keeps telling me
My heart won't forget it
Now you walk down of my life
And the pain is too much to hide
Inside, deep inside

You're breaking my heart
In two
And I don't know what to do
It's like waking from a dream
Just to follow that it's been
So real, so real,
Honey don't it feel so real,
Don't it feel so real,

(Don't it feel so real)
Don't it feel so real
Right from the start,
You've been breaking my heart
Won't you have to wait so long
Won't you keep me hanging on

You're breaking my heart
In two
And I don't know what to do
It's not easy to explain
Our love just fades away,
Fades away, fades away...

You're breaking my heart
In two
(Tearing me apart)
And I don't know what to do
(I don't know what to do)
If you knew the love was gone
Won't you keep me hanging on,
Hanging on... hanging on...
