Immigrant

Also heavily advertised in the local newspapers in Delhi
That they are encouraging for people to come down
here and work.

And then we went to the embassy and they showed us
Kew Garden pictures and pictures of the various parts
of England,

That it is all that beautiful and everything is just right
And that's what we just applied for the voucher.

You burn my flame within your hands
You know when my destiny falls
This time has insecurity
I feel, makes me restless inside

Will you take me there
To a distant place I've never been before
I could leave this world
I could follow you like oceans to the shore
You could take me there
Make the rivers of my mind flow to my dreams

You hold your secrets from my eyes
You see where the furthest rain falls
The day breaks over in the streams
You know where my rivers will flow

Will you take me there
To a distant place I've never been before
I could leave this world
I could follow you like oceans to the shore
You could take me there
Make the rivers of my mind flow to my dreams

And I dream of places far from here
And I call your name into the wind
And I wish the night would take me to another world
Where no one knows a face or asks your name

Will you take me there
To a distant place I've never been before

I could leave this world
I could follow you like oceans to the shore
You could take me there
Make the rivers of my mind flow to my dreams

Make the rivers flow
Will
Will you take
Oh yeah

Will you take me there?

Will you take me there?

Oh Yeah

Take me there
Take me there
Take me there, yeah
Take me there, yeah yeah
Oh, Take me there
Will you take?
Will you take?
Me there

Take me there
Take me there
Take me there, yeah
Take me there, yeah yeah
Take me there
Take me there
Take me there, yeah
Take me there, yeah yeah

Make the rivers flow X7
