They tell me what t'do, they tell me what t'say  
They try t'tell me how t'live my life  
Each-n-everyday they're walkin' over me  
Gotta let go, gotta set me free

They don't care what's wrong or what's right or what's  
fair

Watch out world, ready or not  
I'm like a Freight Train comin'  
Full speed ahead I'll C U at the top-TOP

I'm like a freight train. I'm like a freight train comin'

Watch out world, ready or not  
I'm like a F.T. comin'  
Full speed ahead I'll C U at the top-TOP

They tell me what is wrong, they tell me what is right  
They turn around the truth, then tell me not 2 (LIE)  
Never turnin' back I'm goin' 4 it all or nothin'  
I won't ever fall

Pre  
Chorus
