It's been so long since I felt your touch, baby
When I'm all alone I know how much yeah, yeah, baby
baby

Baby, I'll be back to you someday (someday)
Cause when I get home, I'll be there to stay

Long way from Home, in your arms back where I
belong
Long way from Home, so baby please don't cry
Cause I'll be Home tonight from this long and winding
road
Long and winding road

Minutes turn to hours baby, can we pass the test of
time
I love you baby, cause I am yours and you are mine

Baby, I'll be back to you someday (someday)
Cause when I get home, I'll be there to stay

Long way from Home, in your arms back where I
belong
Long way from Home, so baby please don't cry
Cause I'll be Home tonight from this long and winding
road
Long and winding road

Long way from Home
Long way from Home
Long way from Home
Long way from Home

Baby, I'll be back to you someday (someday)
Cause when I get home, baby I'll be there to stay

Coming Home, yes I'm coming Home, baby
Coming Home, yes I'm coming Home, baby
Coming Home, yes I'm coming Home, baby
Coming Home, yes I'm coming Home, baby
Coming Home, yes I'm coming Home, baby
Coming Home, yes I'm coming Home, baby

Coming Home, yes IÂ'm coming Home, baby
