(Peters)
I can't sleep
Counting sheep
The hours slowly slip away
Half past one
Half past two
Someone please tell me what to do
I'll fix myself a drink
So now I leave the bed
My thoughts they rule my head
Hear that hum
There's a buzz
I think about the two of us
Who is wrong
Who is right
This question keeps me up all night
You're living in a world
That's made up by yourself
Hey honey you need help
Just like the sun
Just like the sun
Just like the sun you came my way
I couldn't run
Couldn't hide
Between dawn and dusk you had your day
Did I tell you
There's no future for the sun
One day your time has come
Half past one
Half past two
Half past one
Half past two
