(Peters)

The buildings was always
One step ahead of me
Gonna beat it at its own game
I'm always looking
Up at my building
And the shadow that is hanging over me
Jump to conclusions
From the eighty-second storey
Jump to conclusions
From the eighty-second floor

Jump to conclusions
From the eighty-second storey
Jump to conclusions
Couldn't take it anymore
Buildings are looking
Over my shoulder
They are dominating like my wife
Buildings are looking
Over my shoulder
They are going to wreck my life
