(Nits)

In the mirrors of this house
I've seen your face
A thousand times or more
In the corners of your room
I've seen your face
A thousand times or more
In the darkness of the town
I've seen the wheels a-turning
I'll be gone
In the darkness of your room
You've heard the wheels a-turning

I'll be gone
In
Cars & Cars
Cars & Cars going faster
In the mirrors of this house
I've seen your face
A thousand times or more
In the darkness of your room
You've heard the wheels a-turning
I'll be gone
In
Cars & Cars
Cars & Cars going faster
