So many reasons to be afraid  
Afraid of the darkness  
Afraid of the light  
So many reasons to be afraid  
Afraid of the daytime  
Afraid of the night  
Day and the night  
Yesterday she found him  
Lying on the ground  
Fallen down  
Without a sound  
Somebody said 'It's better this way'  
But I know it's the difference

Between the night and the day  
Day and the night  
He is lying in the summerhouse  
The girls all around  
Looking at him  
A giant fallen down  
Nobody knows  
What happens they say  
But I know it's the difference  
Between the night and the day  
Day and the night
